Dear Parents,  
Welcome back to Semester Two! I hope you all enjoyed the holiday and are ready for another exciting school term. This term we have a number of exciting events including: Book Week, 100 Days of Prep, Year 2 Camp and House Athletics. As always Hartwell is an exciting place to be!

### HPS GUIDE

Over the year we have welcomed a number of new students and their families to our school and hope you really enjoy being a part of our community. I have attached the HPS Guide 2024 to the newsletter as a practical guide. Please can I remind all families about absence and lateness and the importance of ensuring students are 'on time' and that all absences must be accounted for via SENTRAL. Please note the following:

- **'Ten to 9, be on time'** Our school day begins at 8.50am with the students heading into the learning environment and organising themselves for the day. This initiative has been very successful this year and supports a calm and on-time start to the learning programs – thank you for your support with this.
- **'Late arrivals and early pick-up'**: Parents are expected to sign their child in or out at the office. Please do not send your child into the office or ask them to meet you outside of the school gate for collection during school hours. As a school we take our 'duty of care' very seriously and ask that you support us with this. Please try to avoid recess/lunch times to collect your child for an appointment, it is very hard locating them in the playgrounds.
- **Newsletters**: Most weeks we produce a newsletter. This is a whole school, year level, specialist edition and from this term our 'Great Fete 2024' updates will begin. Our newsletters are a very important link to home and school communication. Therefore, I ask that you please take the time to read them and when applicable take note of dates and times of events.

### **'IT and COFFEE' - Are your kids safe on their iPhone and iPad?**

We are often asked for support on how to set-up mobile devices for children. In order to assist with this we have organised a parent safety session next **Tuesday 30<sup>th</sup> July at 7pm** online with iT and Coffee. Lynette Coulston, the company founder, will run an hour-long session showing you how to address all your safety needs regarding your child's access online with their iPads and iPhones. We highly recommend attending this session which will cover parental controls, limiting screen time, content and privacy restrictions, spending limits and many more topics vital for your child's online safety. Please book in using the link below:

### **THE GREAT FETE 2024**

We are getting very excited about our Great Fete in November and will begin this term with our whole school preparation. Marina Pappas is again leading our event and I thank her and the team for her time. Our fete is the significant fundraiser for our 2024 school year and I ask that everyone gets behind this wonderful day and supports where they can. Our Class Co-ordinators will be assisting with the organisation, so please check your group communication carefully.

## Online Information Session

### Keeping your kids safe on their Apple iPads and iPhones (& iPod Touches)

**Tue July 30th, 7:00-8:00pm**

Do you know if your children are safely using their iPod Touch, iPad or iPhone?

Do they perhaps have access to websites, features and content that is not appropriate to their age group?

Are you able to track the time and limit how long they spend on the device/apps.

Do you know who they are able to contact (and who can contact them)?

Join us online on Zoom for this 60-90 min session (with time for Q&A at the end), where Lynette Coulston from **iTandCoffee** will empower you with essential information about how to ensure your child's safe use of these powerful devices using built-in features.
