Dear Parents,

This term continues to be a hive of activity across the school. Last Monday morning our students and teachers enjoyed sharing some of their favourite characters and stories during our Book Week parade. The creativity, variety and effort everyone had put into their costumes was outstanding and we all enjoyed this joyous start to our week. Across the school our learning communities were fortunate to attend author online activities, enjoy incursions, visit the Book Fair and listen each day to a story or two with one of our favourite activities 'mystery reader'. My thanks to all the teachers for making this such an enjoyable week and in particular to Susie Dalton for her organization, Jos Markerink for leading our parade and Michele Ritchie for running our Book Fair.

On Thursday our Year 3 to Year 6 students headed to Bill Sewart Reserve in near perfect weather to enjoy the House Athletics Carnival. With their 'Hartwell Have-A-Go' attitude firmly showing, a wonderful day of events was had by all. Congratulations to all our students for their enthusiasm on the day and again to our teachers for their support. A special thank you to all the parents who gave their time to assist with each event and came along to encourage the children. A huge thank you and special recognition to Jo Bayes. We are extremely fortunate to have Jo as our PE specialist, her enthusiasm, organization and management of these events makes them not only run like clockwork but also ensures a lot of fun is experienced by everyone – thanks Jo!

SCHOOL COMMUNICATIONS

Please can I request that you take the time to read all school communications. Hartwell continues to be a busy learning environment and to ensure we are sharing information to our community we do require your assistance in taking the time to read items such as newsletters (whole school, year level and specialist), parent notices and class newsletters. We have set up systems to support information to be translated in a number of languages and to be received in different ways such as directly to mobile

BUILDINGS and GROUNDS UPDATE Working Bee – thank you!

Thank you to all the families who came along on Sunday to our working bee! There were many jobs completed in our grounds, these included mulching the garden beds, staining decks, topping up the sandpit areas, pruning, weeding and general maintenance. Thank you to Tony Pearse, Magnus Mason and Adrian O'Connor for their co-ordination of this important activity.

Security at Hartwell

Over the last 18 months we have seen some increased activity and damage at school over the holidays and weekend. To support our environment and ensure our school is well protected we have arranged the installation of security cameras across the site. We hope that this will assist us in keeping our school and grounds safe.
